VOL XXXI

WAUSEON, OHIO, FRIDAY, DECEMBER 19, 1913

NO. 36

## FINAL MEETING

Council Held Their Last Regular Meeting Monday Evening. Bonds of New Village Officers Accepted. Leggett Street Assessment Ordinance Passed.

The meeting of the council on Monday evening was the last regular meeting of the present council and while there were no issues of the feeling of impending parting was somewhat in the air. There were present, clerk elect Orth and councilman elect Bulger, presumably they were on hand to learn "how it is done." Clerk Deyo read the minutes of the last regular meeting which were long enough to give everybody an opportunity to get quieted down. An ordinance to assess a special tax on property bounding and abutting on West Leggett street, to meet the cost of pavement on that street was passed.

The clerk was authorized to secure bids from the banks for use of corporation money during the next two years. These bids will be up to the next council to dispose of.

The bonds of the following officers elected were presented and accepted by the council: Roll Hoy, mayor; Carl Orth, clerk; W. E. Harris, treasurer; J. E. Cantelberry, marshal; W. D. Lyon, F. R. Guilford and F. C. Smallman, members of Board of Public Affairs. Mr. Oliver McLain was present to call attention to the need of immediate attention to the drainage in the northeast corner of the town no adequate outlet having been provided for surface water, on Linfoot street east of Wood; the matter was referred to the sewer committee but on consideration it was found that before the matter could be attended to a joint meeting with the township trustees would be necessary; the matter was necessarily left over for the new council. Citizens were present to inquire why the cross walk on Ottokoe street at Sycamore and Walnut streets was not put in; discussion developed the fact that there had been "too many cooks for this broth" and that workmen employed to place the walk concluded to put the walk where they thought it ought to go instead of where the council had ordered it. The matter was finally stricken out and the council adjourned.

## HOW TO AVOID COLD

### WEATHER DISEASES

To prevent cold weather diseases, put your body into a proper healthy condition to successfully resist them. Colds, grippe, bronchitis, pneumonia, catarrh, typhoid fever, rheumatism and other ailments may be escaped in most cases, if this is done. Build up your health and strength—your nerves and blood and entire body—into such shape that you can stand on good health all during the winter months—by taking Rexall Olive Oil Emulsion, the ideal blood, nerve and body builder.

This is a remarkable medicine, but a common-sense one. It doesn't stimulate. So-called "tonics" that stimulate give you no permanent relief, but leave you worse off than before. Rexall Olive Oil Emulsion contains none of these harmful, stimulating ingredients, such as alcohol and narcotics and habit-forming drugs. Its great benefit to you is through its real nerve and blood and body-building effects. It is not a stimulant, but a strengthener. Its merit does not rest on making you feel better for a few minutes at a time after taking it, but on making you feel better as a result of making you well.

Rexall Olive Oil Emulsion is the ideal blood and nerve-food tonic. You who are weak and run-down, and who are apparently well now, but are liable to suffer from various cold weather ailments, use Rexall Olive Oil Emulsion to get and keep strong and strong. For the tired-out, run-down, nervous, emaciated or debilitated—the convalescing—growing children—aged people—it is a sensible aid to renewed strength, better spirits, glowing health.

Rexall Olive Oil Emulsion—king of the celebrated Rexall Remedies—is for freedom from sickness of you and your family. You'll be as enthusiastic about it as we are when you have noted its pleasant taste, its strengthening, invigorating, building-up, disease-preventing effects. If it does not help you, your money will be given back to you without argument. Sold in this community only at our store—The Rexall Store—one of more than 7,000 leading drug stores in the United States, Canada and Great Britain—Read & Wager, Wauseon, Ohio.

## FIVE BROTHERS

Evangelists Close Their Meeting in Wauseon Sunday Evening. Eighty-four Persons Added to the Church. Evangelists Conducting Services at Delta.

With an audience that crowded the great new tabernacle erected by Evangelist Clyde Lee Fife, head of the Fife Bros. Most Musical Evangelists in the World, and many men standing around the walls, the Fife Bros. Revival came to a whirlwind close on Sunday night in the city of Wauseon. All during the closing day the evangelist preached like a steam engine in breeches. He landed body blows on sin and exhorted with all long-suffering and kindness. When the day was finished and the revival closed, eighty-four people had come forward and the revival was filled with great joy in the closing hours.

The evangelists profess themselves well pleased with the revival and the pastor and the people of the Christian church testify to the fact that the evangelists have been a help and brought a blessing to all. The pastor continued the meetings by preaching on Thursday evening. Monday the Fife Brothers opened a meeting in Delta which will continue through the present week. They entertained the entire student body of Delta Public schools on Tuesday morning and Friday night has been designated as school night in the Delta meeting.

A movement has been inaugurated whereby the business men of Wauseon will purchase the tabernacle allowing it to remain standing until next summer.

Orvin Giffey and Jay Chamberlin were reported sick at the intermediate meeting Tuesday evening.

The boys are pleased with their "tag day" results and wish to thank all who so willingly purchased tags.

## REVIVAL TO BE HELD AT CHURCH OF THE BRETHREN

The members of the Church of the Brethren have been very fortunate in securing the services of Elder J. E. Parboe and wife, of Red Cloud, Neb., now at Bethany Bible school, Chicago, Ill., to hold a two weeks Revival meeting at the Brethren (known as the Dunkard) church, located one mile north and three and one-half west of Wauseon or two miles south and one half mile west of Tedrow, to begin Saturday evening at 7:30. Services Sunday morning and evening and thence through the following two weeks Elder Parboe and wife are very active workers in the religious field being the Nebraska state workers for the Church of the Brethren.

Everyone should hear him as he will deliver God's messages in their purity and holiness to a dying world. The members of this place have been holding prayer meetings, praying for the success of the Revival; all Christians are invited to join with them in prayer for the extension of God's kingdom for we know that by the effectual, fervent prayers of the people much can be accomplished.

Come out to the services and bring others with you that the seed which will be sown may fall upon good soil and in due time they shall receive the reward.

## PARK IMPROVEMENT

The trees on South Park have been thinned out this week; they were so thick that it was impossible for the grass to grow and the density of the tree tops made this park an ideal place for a bird roost. The presence of hundreds of grackles or blackbirds and the exclusion of sunlight and air during the summer season made this park anything but a beautiful place.

By cutting a system of boulevard lights will be placed around the park and the thinning out of the trees will permit the light to penetrate to every part of the park, this will be believed effectually rid the park of the black bird nuisance and at the same time make the park a light and safe place to walk in the evenings. The tennis court on this park has been enjoyed by scores of young people during the past season and the park committee of the Board of Public Affairs are to be commended for the improvements they have made during the year on this park.

## A FAREWELL SURPRISE

About twenty-five old soldiers and their wives gathered at the home of their comrade, S. A. Miller, on East Oak street, last Monday evening. On behalf of his comrades, Mr. Levi Hoy, in well chosen words presented Mr. Miller with a gold-headed cane; Mr. Miller responded in his usual happy manner. A lunch was served by the ladies present and the evening was spent in a way thoroughly enjoyed by all who were present. Mr. and Mrs. Miller expect to leave this week for their winter home at Windermere, Florida.

California Woman Seriously Alarmed.  
"A short time ago I contracted a severe cold which settled on my lungs and caused me a great deal of annoyance. I would have been content with a few colds, but my lungs were so sore and inflamed I began to be seriously alarmed. A friend recommended Chamberlain's Cough Remedy, saying she had used it for years. I bought a bottle and it relieved my cough the first night and in a week I was rid of the cold and soreness of my lungs. I writes Miss Marie Gerber, Sawtelle, Cal. For sale by all dealers.
